FROM THE DISTRICT 5 COMMANDER

I have been with the Denver Police Department for 28 years and I am proud to be serving the citizens in Far Northeast Denver since July, 2018.

I encourage you to become involved in your community and stay informed about specific issues and important events, to be proactive in crime prevention and to play a role in some of the decision-making processes affecting your neighborhood.

One way you can get involved is to attend my bi-monthly Commander's Meeting. Not only do you hear about crime trends and other issues in your district, you also get to ask me your specific questions and share your valuable opinions. It's a great opportunity to meet your local Denver Police officers, particularly my command staff and your hard working Community Resource Officers!

The Commander's Meetings are held at 6PM on the 3rd Thursday of every other month. They are held in different areas throughout the district in an attempt to be inclusive of all neighborhoods. If you require an ASL interpreter, please email us at 5.Dist@denvergov.org at least 3 days prior to the meeting.

I sincerely look forward to meeting you!

Marcus Fountain

GET INVOLVED!

Registered Neighborhood Organizations

Registered Neighborhood Organizations (RNO) play a key role in the ongoing effort to make Denver a great place to live and work. To find your RNO, visit: denvergov.org/maps/map/neighborhoodorganizations or contact your Community Resource Officer.

Walk a Mile in My Shoes

Schedule a 30 minute walk of your neighborhood with a Denver Police Officer (weather permitting). See what it's like to walk a foot beat as an officer while the officer experiences a stroll around your neighborhood.

Start a Neighborhood Watch Program

Neighbors on a designated block agree together to keep an eye on one another's properties and report suspicious incidents to law enforcement.

Pups On Patrol

Pups on Patrol is a program to help train civilian pups how to spot danger and encourages neighbors to assist police as extra eyes and ears while out walking their dog.

Denver 311 and Nextdoor.com are great tools for information, resources, and hearing from your Community Resource Officers about crime prevention, crime alerts and events throughout the community.

COMMUNITY RESOURCE OFFICERS

The Community Resource Officer (CRO) Program provides assistance on issues such as neighbor disputes, public nuisances, zoning issues, fraud and crime prevention, and other neighborhood concerns.

CROs attend regular meetings with neighborhood organizations to provide training on issues including the Neighborhood Watch program, commercial and home security, gang awareness, crime prevention, and more.
