FROM THE DISTRICT 6 COMMANDER

As a lifelong resident in the City & County of Denver, and having served in several areas throughout the department, I am excited to part of the Central Business District Community and District 6.

I encourage you to become involved in your community to stay informed about specific issues and important events, be proactive in crime prevention, and play an active role in the decision-making processes affecting your neighborhood.

The Citizen's Advisory Group (CAG) meeting is one way you can get involved. Not only do you hear about statistics for the district, you also get to ask me your specific questions. It's a great opportunity to meet your local Denver Police officers while staying informed.

CAG meetings are held at 10AM the 3rd Monday of each month at the District 6 station. If you require an ASL interpreter, please email us at 6.Dist@denvergov.org at least 3 days prior to the meeting.

I sincerely look forward to meeting you!

Aaron Sanchez
