All files utilized in the creation of this report are dynamic. Dynamic files allow additions, deletions and/or modifications at any time, resulting in more complete and accurate records in the databases. Due to continuous data entry after reports are compiled, numbers may vary in previous or subsequent reports.

PREPARED TO DEPARTMENT OF SAFETY PUBLIC INFORMATION STANDARDS

Excludes runaways, traffic offenses, unfounded reports and non-criminal activity.

In May 2013 the Denver Police Department implemented the Unified Summons and Complaint (US&C) process. This process unifies multiple types of paper citations, excluding traffic tickets, into an electronic process. That information is transmitted to the Denver Sheriff, County Court, City Attorney and District Attorney through a data exchange platform as needed. As a result of this process a reported offense is generated which was previously not captured in National Incident Based Reporting System (NIBRS). For comparison purposes, crimes which were captured due to the US&C process were excluded from the data when comparing 2012 to 2013. An additional column has been added to the tables which reflects the actual number of crimes.
