Discussion:
The meeting minutes from the October 13, 2015 were reviewed and approved by the team.

Nick opened the meeting by introducing the new Denver Sheriff, Patrick Firman.

The delegation that traveled to Los County to review their UOF Review/Investigation/PREA processes gave an update on what they learned during the visit.

Rather than dividing into sub-groups, the Team opted instead to further discuss perceptions and concerns related to discipline procedures within the Denver Sheriff’s Department.
