Agenda:
1. Welcome and acknowledgement
2. Summary of DSD assessment process to date
3. Use of Force/Internal Affairs Action Team objectives and methodology
4. Introduction of team members and discussion of reform process
5. Review of handout materials
6. Discussion of next steps and preparation of next meeting

Discussion:
Al LaCabe informed the group of the mission of the Team and reminded them that both the DSD and the community have waiting a long time for the implementations of reform. He then summarized the assessment processes engaged in over the preceding year, discussed Team objectives, and outlined methods for achieving those objectives.

Each team member was asked to introduce themselves and explain what experiences or insight they possessed that they believed would benefit the Team. This led to a helpful discussion of why reform would benefit both DSD and the community.

All team members were provided with reading and research materials that will be discussed throughout the process.
Action Items:

1. **OIR Discussion – Due 6/30/15:** Al LaCabe indicated that the OIR Group Report would be discussed at the next meeting and encouraged everyone to read the entire report in order to prepare for the meeting.

**Next Meeting:** June 30, 2015, 3:00pm – 5:00pm  
Webb Bldg. Room 4.G.4
