**Q:** Why do we traditionally give apples to teachers?

**A:** Some say this started in Scandinavia back in the 1700s, when families couldn't afford to pay their teachers, they would send bushels of produce from their farms. This was said to be adopted in the U.S. during the Great Depression in the 1930's. Apples were the most popular produce to gift, since they grow easily in a variety of climates.

Snack: fresh fruit available daily except when sunbutter, string cheese, or juice is served.
