Call to order: Jason Robinson 5:35pm

Consent Agenda Items
- June minutes will be amended to include comments made by Kevin Lyles regarding the changes being made at Red Rocks Park. Arthur Gilkison will listen to the tapes and submit to Sarah Hall who will redraft the minutes and submit them for approval at the August meeting along with the July minutes.

Public Comment
- Kevin Lyles came to speak again about the issues around the Master Plan at Red Rocks Park. He is concerned that there was no public comment regarding the change in the use of the Trading Post.
- Peter Kelly is here to shed light on the Overland Park and RISO (River South) neighborhood issues. They propose that there be a bridge that goes over Jewell and over the Platte connecting to a path through the golf course and then connecting to a bridge over Santa Fe. Brian Elms is going to connect him with Transportation.

Manager’s Report- Scott Gilmore
- Due to the strength of the economy in Denver, the Parks Department got an additional $10 million in the budget. With that money people should start to see a lot of improvements around the parks in the city.
- Denver Days is from August 1-August 9.
- New Council will be sworn in on July 20th. After that happens and the PRAB settles into where it is going to be in the longer terms, perhaps September, PRAB could perhaps have a field trip on a weekend to check out the Mountain Parks.

**Denver Mountain Parks- Brad Eckert**
- The Mayor has made a big commitment to the Mountain Parks System. In so doing, there is now a full time employee whose primary focus is the Mountain Parks.
- There are about 14,141 acres. There are also a lot of buildings that needed updating. That has been a recent focus.

**Board Items**
- Bernie Sharp announces that he will no longer be serving on the Board. He has been with us 8-10 years, and he will continue his interest in the Parks.
- Shane Wright would like to thank Laurie for her leadership and all of her commitment to the Parks System.
