

PIONEER TRAIL

This trail marker is provided through the efforts of the Evergreen Kiwanis Club, on behalf of Barbara and Gene Sternberg. The trail name was derived from the first dedication of their book,

"To the pioneers – the miners, loggers, ranchers – who gave our community its historical depth."
 – Evergreen - Our Mountain Community

Accordingly, this trail honors our pioneers while providing a thread connecting the past to the future.  The trail is named in honor of our pioneers while providing a thread connecting the past to the future.
