

INTRODUCTION AND PURPOSE

Purpose of the Meeting

Review big ideas for the Master Plan Update

Hear from the Community (YOU):

- Provide input on big ideas
- What do you like?
- What other ideas do you have for City Park?

February 2018

City Park

Purpose of the Master Plan Update and Design Guidelines

Identify changes in the park, surrounding neighborhoods and city since the 2001 Master Plan and significant resources to be protected

Reinforce the special historic character of Denver's largest urban park while guiding improvements and change

Identify current and future park uses and needs and establish a framework to manage appropriate uses and events
