**RESIDENT COMMENTS**
- "This green park, with gorgeous views of the mountains, lovely trees, peaceful walks is a jewel of our neighborhood."
- "New picnic tables would be great!"
- "There is no paved access from the intersection at Lowry Blvd and Monaco. A 30’ path can easily take care of this."
- "I can walk the loops even after snow/ice because the walkways are plowed and well-maintained. Much safer than many of the streets."
- "It is a safe place for kids to run free."
- "It’s beautiful with the large trees and spaciousness. I love walking around it. We walk almost daily through the park."
