34 **Section 6.** Subject to the approval of the voters as provided in Section 7 of this

ordinance, Chapter 39, D.R.M.C., concerning Parks and Recreation, is amended by the
2 addition of a new Article XII, to read as follows:

3
4 **ARTICLE XII. PARKS, TRAILS, AND OPEN SPACE PROGRAM**

5
6 **Sec. 39-223. Legislative Declaration.** (a) The City Council finds, determines,
7 and declares:

8 (1) Since its founding, the city and county of Denver ("the city") has endeavored
9 to build a city in a park through a continued and consistent prioritization of parks, trails,
10 open space, parkways, green medians, street and park trees, greenways and
11 waterways, and a system of city and mountain parks;

12 (2) The current gap in funding for acquiring additional land for parks, trails, and
13 open spaces; developing and improving new and existing parks, Denver's mountain
14 parks, open spaces, and trails; restoring and protecting waterways, rivers, **canals** and
15 streams; purchasing, planting and caring of trees in parks and in the public right of way;
16 and operating and maintaining any additional acquisitions and new capital
17 improvements to the City's parks, mountain parks, and open space systems is
18 insurmountable without an additional revenue stream;

19 (3) The City faces increased pressure from population growth, development,
20 and densification and park amenities- from new parks, like dog parks, to
21 improvements in the mountain parks, and to protection and restoration of urban
22 waterways-are lagging due to a lack of funding;

23 (4) The City now ranks at the bottom of the list compared to peer cities on park
24 acres per resident and the percentage of residents who can get to a park with a 10 -
25 minute walk, and, according to The Trust for Public Land's recently released 2018
26 ParkScore® ranking of park systems in the 100 largest U.S. cities, the City fell to
27 ranking number 26 from number 20 in one year;

28 (5) Dedicated, additional funding for parks will help achieve these goals and
29 ensure that future generations will be able to enjoy Denver parks and open space.

30 (b) Therefore, the city council has determined that the question of whether the
31 City shall be authorized to impose a 0.25 percent sales tax for the purposes and in the
32 manner set forth in this ordinance should be submitted to the registered electors of the
33 City at the special municipal election to be conducted in coordination with the state
34 general election on November 6, 2018.

2 Sec. 39-224. Permitted Uses of Revenue in the Parks, Trails, and Open

4 (a) All monies derived from the sales and use taxes in the Parks, Trails, and

8 Denver's mountain parks, open spaces, and trails;
9 (3) Restoring and protecting waterways, rivers, **canals** and streams;
10 (4) Purchasing, planting and caring of trees; and
11 (5) Operating and maintaining any additional acquisitions and capital
12 improvements to the City's parks, mountain parks, and open space.

13 (b) *Cap on administrative costs.* Monies in the Parks, Trails, and Open Space
14 Fund may be expended to pay the costs incurred by the city associated directly with
15 the administration of the funds; except that, in no event may the amount expended
16 from the funds for administrative expenses in any year exceed five percent (5%) of the
17 amount of revenue received in the fund in that year.

18 (c) *Fund earnings.* Any interest earned on the balance of the Fund accrues to
19 the Fund.

20 (d) *Administration of funds.* The Manager of Parks and Recreation designated
21 in accordance with § 2.4.2 of the Charter will manage the Fund.

23 fiscal year, such monies must remain in the fund to be expended in subsequent fiscal

26 with this section and may not replace nor supplant any general fund appropriations
