BACKGROUND
There are more than one million visits to Denver’s recreation centers and pools every year. Most of those visits are positive and result in satisfied customers, but there are times when customer behavior is problematic and negatively impacts the experience for other customers. As a result, Recreation has established a Customer Code of Conduct. The code describes behavior that is not allowed, as well as the steps staff can take to address concerns. This document is intended to;

1. Define the Code of Conduct
2. Define general and space specific rules
3. Support the consistent application of rules across all centers and programs
4. Provide guidance and support to staff as they administer rules and behavior expectations
5. Standardize the process to suspend and revoke memberships

CODE OF CONDUCT
To ensure customer satisfaction and safety, Denver Parks & Recreation requests customers and staff to follow a code of conduct for courteous behavior.

1. Respect the rights and privileges of all persons at all times.
2. Comply with requests from staff.
3. Comply with any rules of the facility, activity or event.
4. Conduct that disrupts or obstructs any activity or event is not tolerated.
5. Lewd, obscene or indecent conduct or expression, including profanity, harassment, discrimination, intimidation, threats or offensive language and/or behaviors is not tolerated.
