ATTENTION

The number one priority of Denver Parks and Recreation (DPR) is the safety and well-being of our visitors and employees.

In an effort to prevent community transmission, DPR is cancelling all programs and non-essential gatherings at ALL Denver Recreation Centers until further notice.

This includes the Youth Sports Basketball tournament; all facility rentals/events; and other programming, including drop-in fitness classes and paid activities.

At this time, Denver Recreation Centers and pools will remain open for use.
