- Schedule is subject to change
- Classes subject to change based on instructor availability.
- The pool will close 30 minutes prior to the rest of the facility.
- When demand is high, visitors may be subject to a waitlist.
- Safety Breaks allow time for visitors to use the restroom and for aquatics staff to perform essential safety duties related to the operations of the facility
- Quiet Swim is a designated pool time when all of the water play features and slide are turned off.
- During swimming lessons, the leisure pool is open only for those participating in lessons.
