Denver Police District 3
Community Advisory Board

June 2nd, 2020
Officer of The Month:
Officer Cueva

On April 23rd, Officers were investigating a hit and run accident in the area 5500 block of E Hampden Ave involving a stolen vehicle. During their investigation, the officers were alerted to a burglary that had just occurred near the accident and involving a party matching the description of the driver that fled. Officers quickly began checking the area for the suspect and ultimately were alerted by a nearby homeowner that the suspect was hiding in their storage shed due to it being locked now and that it’s normally left unlocked. Officer Cueva responded and ultimately had to force open the door to the shed, where he located the suspect and was able to take him into custody after a brief struggle.
