### Discussion/Updates

**Welcome and Introductions**

**Specialty Courts Impact Analysis presentation – Cindy Laub**

**Annual report – Karen Kindblade, Jeff Holliday**

- The report is being drafted. Starting from scratch as an annual report has never been completed.
- Per Ordinance Sec. 2-255.54 g: “To report annually by July 15 to the mayor and city council recommending changes in policies and programs to reduce victimization, to promote data-guided management, to help guide budgeting and administration, to diminish criminal recidivism and to improve overall public safety. The annual report shall include a detailed plan of recommended expenditures from the Denver crime prevention and control fund for the following fiscal year. The report shall also include information about the jail population by characteristics, length of stay, and offense, trends in the jail population, comparative jail population and crime data, and other appropriate measurements of how the criminal justice system is functioning”
Committee Updates

- JCC – standard updates
- BHC – no update
- Youth – tremendous focus on retention bed reduction effective July 1, 2019. Continue working on intervention of youth with handguns. Beth McCann requesting an additional DA position next year to address handguns as well as other items but that may not happen due to budget constraints.
- Budget - still in budget request process. Entered change requests requesting programs under CPCC are fully funded. Included funds for spontaneous funding (possibly around $50k), pretrial services, co-responders, etc. Anticipate balance of some funds will carryover to 2020. Did CPCC already address/entertain funding specifics for 2020? Jeff will confirm.
  - Programs moving out of CPCC – the funding does not automatically stay with the commission. These programs will need to start from scratch in requesting funds, e.g. present a proposal to JCC/BHC, etc.
  - Suggestion to research closing of Salvation Army Crossroads program and the impact it will have on our jail system. The program is only for men; they want to go to a men and women program.

Updates and announcements - none

Rob Bremer asked for a motion to adjourn the meeting. Alice Norman moved to adjourn the meeting. Kyla Armstrong-Romero seconded the motion. All in favor; none opposed.

Meeting adjourned.
