

Agenda
VB/I-70 Community Advisory Group Meeting
Colorado Miner's Community Center
4809 Race Street
August 8, 2017, 5:30-7:30

Introduction 5:30

Elizabeth Suarez, Facilitator

- *Introductions*
- *June Meeting Notes*
- *Discussion and vote on proposed bylaws from Lloyd Burton, and mission statement, voting procedures and new membership criteria that was created by EPA. (see attached)*
As this is an important component to the CAG process, we want to continue this discussion the night of the meeting, even if we go beyond the allotted time. Please review these documents closely. Feel free to review all of this information in preparation to discuss Lloyd's proposed bylaws, amend if desired, and vote on a final version.

Globeville Landing Outfall Construction Update 6:30?

*Jenny Luthi, CCoD Project Manager & Celia VanDerLoop,
Environmental Projects Manager, NDCC*

- *Construction Details*
- *Operations Maintenance Plan*

Air Quality Discussion (if time is available) 6:40?

Michael Ogletree, CCoD Air Quality Analyst

Round Robin & CAG Open Discussion (if time is available) 7:00?

Elizabeth Suarez, Facilitator

- *CAG members share why they are involved, what information they are interested in, what they hope to get out of this CAG, and after reviewing the information provided at earlier CAG meetings, what questions do they have regarding the VB/I-70 Superfund Site?*

Open Discussion 7:15

Elizabeth Suarez, Facilitator

Meeting Close

7:30
