1. 1:30 - 2:00 PM - All members convene in Room 4.I.4
 - a. Introductions
 - b. Review Mission Statement: *The mission of Denver's Cannabis Sustainability Work Group is to promote sustainability in the cannabis industry through education, the development and dissemination of best practices, and the facilitation of dialogue between the cannabis industry, the community, and technical experts.*
 - i. Keep this in mind as you develop committee goals, and let's revisit mid-year to make sure it is reflective of our current work.
 - c. Brief discussion of member and committee roles
 - d. Confirmation of **next meeting date & time - February 28th, 1:30 PM**
 - e. Next meeting speaker/discussion topic - Emily requested members send suggestions to her
 - i. Amy suggested spending some additional time discussing policy issues since most members are interested in that topic, but not necessarily participating on the policy committee.
2. 2:00 - 3:00 PM Committee Breakouts
 - a. Committee Notes:
 - i. BMP & Data
