BMP Manual

- Currently undergoing design and review process, will be ready for print/publication before the Symposium

Symposium

- Agenda released and tickets on sale
 - Sales have been picking up this week - expect to see most ticket sales in last 3 weeks prior to event
- Moderator and volunteer roles
 - Kim can contact Bob McCauley about moderating rebate panel - Emily to send more info
 - Jake volunteered to moderate Alternative Energy Session
 - Moderators to connect with their speakers within next week.
 - Ben has a few volunteers from happy hours, can reach out through universities - Emily will put together tracking sheet, send request around to work group members
- How you can help promote - suite of [marketing tools](#) available on Drive

3 meetings left for 2018 - how do we want to spend our time?

- Oct. 25 meeting is day before Symposium - move up or cancel?
 - Move up to October 18th @ 1:30 tentative
- November meeting - hold for member feedback listening session.
 - Discussion around work group changes, value for members, desired outcomes
 - Find a date where most people can attend in person. Proposed dates: November 5-7 or Week after Thanksgiving - Emily will send Doodle Poll <https://doodle.com/poll/h475h63d4znmwd3y>
- December meeting - 2019 planning based on feedback received in November.
 - Proposed date: 12/20
