### 14. General Notes

**Notes:**
- The Denver Emergency Operations Center (EOC) and Joint Information Center (JIC) moved to Full Activation Status (M-F) 0900-1600 on March 12, 2020. The current plan is full activation M-Sa 9:00am – 5:00pm, with partial activations on Sun. Shifts alternate with 1st shift Tu/Th/Sa and 2nd shift M/W/F. Starting 3/20/2020 EOC operated both in-person and virtually – 36 positions + JIC will be in person. All other positions were virtual.
- The EOC is supported by the Joint Public Health and Environment Departmental Operations Center (DOC), which has been activated since 2 March. The EOC and DOC was supported by a Citywide COVID-19 Task Force but the Task Force was disbanded.
- Initial economic relief packages were announced by the Mayor on 03/19/2020, including support for small businesses and artists and relief from parking enforcement and parking meter charges. There are also existing resources to help residents and businesses:
  - **Property Tax & Rent Relief Program** – for residents older than 65, people with a disability, or low-income residents
  - **Temporary Rental & Utility Assistance (TRUA)** – emergency rent and utility payments for those who qualify
  - **Denver Human Services** offers eviction and rental assistance
  - **Low-income Energy Assistance Program (LEAP)** – offering eligible residents help with a portion of their winter home heating bills
- CCD Staffing:
  - All non-essential City employees are ordered to work from home (as per SAHO). City is developing re-deployment plans for under-utilized employees to contribute to COVID-19 response.
  - Staffing of shelters and other COVID-19 response will no longer employ on-call staff or Safety cadets, unless they explicitly volunteer and sign waiver (Concern is equity: these individuals are least likely to have health-care coverage).
