### Notes:
Denver is partnering with Denver Public Schools to ensure youth 18 and under continue to receive food assistance while schools are closed. DPS distributing free, grab-and-go-style breakfast and lunch to students at 11 school locations throughout the city. Dinners are served in similar fashion at 18 recreation centers throughout the city. Meal service began 3/16/2020 and will continue through 4/3/2020. For times and locations, visit the DPS website: www.dpsk12.org. Anyone in need of food assistance benefits through the federal Supplemental Nutrition Assistance Program (SNAP) can apply through colorado.gov/peak. Finance Branch has requested estimated daily costs for facilities, food, staffing, utilities, etc.

The city continues to pursuing two categories of rooms for shelter.
1. Activated Respite Rooms (private hotels and motels)
2. Supplemental Shelters (City controlled - Rec Centers Popups etc.)

### 11. Lifeline Status

#### Safety and Security
The EOC and CAO offices have worked out an approach to enforcing the Mayor’s Stay at Home order. Enforcement will be carried out by Park Rangers, DDPHE Restaurant Inspectors, Neighborhood Inspection Services and DPD officers. First offenders will receive a written warning. Second offenders will be issued ticket citations up to $999. Repeat offenders could face arrest.

#### Food, Water & Sheltering
Certain food, water, and sanitation items are in short supply due to public demand for these resources. The EOC is tracking personal protective equipment (PPE) requests and is working to expedite sourcing and delivery, where possible. DPS providing food to children 18 years old and younger.

Food Bank of the Rockies is losing volunteers but have enough food supplies.

**Health & Medical**

Preparations are being made for “Medical Surge”: developing locations for “safe haven” facilities for moving hospital patients out of critical care; and “alternative care” facilities for managing “soft” care medical cases and for housing medical staff. These efforts are expected to free up sufficient space in hospitals to manage critical care demand.

As of 3/25/2020 hospitals are resting staff in anticipation of surge, they have a 7-10 day PPE supply, elective surgeries are banned, 135 of 170 adult vents and 60 of 76 pediatric vents are available but much higher demand is anticipated for surge, and PHEDOC is investigating is vents are available from closed ambulatory surgery centers and veterinarians. Approximately 1 in 7 hospitals report inadequate n95s (Porter), 2 in 6 report inadequate face masks (Porter and Rose), and 1 in 4 report inadequate face shields (DHHA). All (4 of 4) have activated incident command. One subacute hospital is reporting staffing shortages as soon as next week.

**DENVER HOSPITAL CAPACITY & UTILIZATION:**

- Total # of Intensive-Care Beds: **165 (137 adult/28 pediatric)**
- # of Beds Still Available: **51 (40 adult/11 pediatric)**

- Total # of Regular Medical Beds: **656 (567 adult/89 pediatric)**
- # of Beds Still Available: **173 (119 adult/54 pediatric)**

- Total # of Ventilators: **246 (170 adult/76 pediatric)**
- # of Ventilators Still Available: **195 (135 adult/60 pediatric)**

**does not include Children’s Hospital and out of county hospitals like UCHealth Anschutz**

DHHA has developed their own COVID-19 testing technology to clear hospital staff. They are currently testing ~100/day. They will move soon to ~1000/day. DHHA is coordinating w/ CCD to develop protocol for testing CCD key personnel.

**Energy, Power & Fuel**

All Utilities are operating under their respective COOP Plans:

- **Xcel Energy:** No issues
- **Denver Water:** No issues
- **Hill Petroleum:** No issues
- **Solid Waste:** No issues
- **Wastewater:** No issues: N95 Masks and gloves are on back order
- **Metro Wastewater:** No Issues

**Communications**

No issues currently, however, 9-1-1 and 3-1-1 call volume increases are anticipated once the Wireless Emergency Alert is sent out reinforcing the Stay at Home Order activation at 5pm today.

CAO set up a Help Team in coordination with the JIC to answer FAQs regarding the Stay at Home Order. Residents and Business Owners can reach out the Help Team or 311 to have their questions routed and responded to.

**Transportation**

RTD and DEN have been included in several City workgroups under the COVID-19 Task Force to better monitor and report out on transportation impacts. RTD is monitoring service impacts and the possibility of a national curfew. RTD changes will impact DEN employees so will need to keep communication lines open.

RTD continues to operate as scheduled for essential travel. A service reduction plan will take effect April 19. Please limit time spent in stations to 10 minutes and, as often as possible, keep 6 feet between yourself and other passengers.

### EOC SITUATION REPORT (EOC 200)

**DEN:**
- Passenger traffic continues to fall – remains down almost 90%.
- As of 3/25/2020 there have been 457 flight cancelations and 65 delays, not including flights already removed from airline schedules.
- Airlines are working with DEN to find space to park airplanes. Airplanes are parked at deicing areas and taxiways. These are very visible. United wants to park 60-70 aircraft.
- Of 170 total concessions, 41 are closed, 58 operating with reduced hours. All experiencing dramatically reduced demand and staffing challenges.
- DEN working w/ FAA on contingencies if airport or TSA personnel test positive for COVID-19. Such event would result in significant new operational delays for cleaning and restoring personnel.

**Other**

Supply chain impacts continue to be a source of concern for both medical supplies and certain high demand public commodities. Resource planning and requests should consider 4 months out given supply chain constraints. Requests need to be made and tracked, forms completed accurately for reimbursement consideration.

Form 200-5
CO Dept of Labor and Employment (Unemployment) is anticipating a significant increase in unemployment insurance claims. Adjudication and awards will take longer due to volume. L&E will enforce if certain businesses do not comply with order to provide 4 days sick leave to eligible employees. L&E will need help marketing website: www.coloradoui.gov this will be much faster than calling. Additional concerns about workforce for hospitals and nursing homes.
Notes:
The Denver Emergency Operations Center (EOC) and Joint Information Center (JIC) moved to Full Activation Status (M-F) 0900-1600 on March 12, 2020. The current plan is full activation M-Sa 9:00am – 5:00pm, with partial activations on Sun. Shifts alternate with 1st shift Tu/Th/Sa and 2nd shift M/W/F. Starting 3/20/2020 EOC operated both in-person and virtually – 36 positions + JIC will be in person. All other positions were virtual.

The EOC is supported by the Joint Public Health and Environment Departmental Operations Center (DOC), which has been activated since 2 March. The EOC and DOC was supported by a Citywide COVID-19 Task Force but the Task Force was disbanded.

Initial economic relief packages were announced by the Mayor on 03/19/2020, including support for small businesses and artists and relief from parking enforcement and parking meter charges. There are also existing resources to help residents and businesses:

- Property Tax & Rent Relief Program – for residents older than 65, people with a disability, or low-income residents
- Temporary Rental & Utility Assistance (TRUA) – emergency rent and utility payments for those who qualify
- Denver Human Services offers eviction and rental assistance
- Low-income Energy Assistance Program (LEAP) – offering eligible residents help with a portion of their winter home heating bills

CCD Staffing:
- All non-essential City employees are ordered to work from home (as per SAHO). City is developing re-deployment plans for under-utilized employees to contribute to COVID-19 response.
- Staffing of shelters and other COVID-19 response will no longer employ on-call staff or Safety cadets, unless they explicitly volunteer and sign waiver (Concern is equity: these individuals are least likely to have health-care coverage).
