**Notes:**
Denver is partnering with Denver Public Schools to ensure youth 18 and under continue to receive food assistance while schools are closed. DPS distributing free, grab-and-go-style breakfast and lunch to students at 11 school locations throughout the city. Dinners are served in similar fashion at 18 recreation centers throughout the city. Meal service began 3/16/2020 and will continue through 4/3/2020. For times and locations, visit the DPS website: www.dpsk12.org. Anyone in need of food assistance benefits through the federal Supplemental Nutrition Assistance Program (SNAP) can apply through colorado.gov/peak. Finance Branch has requested estimated daily costs for facilities, food, staffing, utilities, etc.

The city continues to pursuing two categories of rooms for shelter.
1. Activated Respite Rooms (private hotels and motels)
2. Supplemental Shelters (City controlled -Rec Centers Popups etc.)

| Preparations are being made for “Medical Surge”: developing locations for “safe haven” facilities for moving hospital patients out of critical care; and “alternative care” facilities for managing “soft” care medical cases and for housing medical staff. These efforts are expected to free up sufficient space in hospitals to manage critical care demand.  

As of 3/25/2020 hospitals are resting staff in anticipation of surge, they have a 7-10 day PPE supply, elective surgeries are banned, 135 of 170 adult vents and 60 of 76 pediatric vents are available but much higher demand is anticipated for surge, and PHEDOC is investigating is vents are available from closed ambulatory surgery centers and veterinarians. Approximately 1 in 7 hospitals report inadequate n95s (Porter), 2 in 6 report inadequate face masks (Porter and Rose), and 1 in 4 report inadequate face shields (DHHA). All (4 of 4) have activated incident command. One subacute hospital is reporting staffing shortages as soon as next week.  

**DENVER HOSPITAL CAPACITY & UTILIZATION (Updated 3/26):**

- Total # of Intensive-Care Beds: 249 (221 adult/28 pediatric)  
- # of Beds Still Available: 136 (125 adult/11 pediatric)  
- Total # of Regular Medical Beds: 660 (571 adult/89 pediatric)  
- # of Beds Still Available: 275 (223 adult/52 pediatric)  
- Total # of Ventilators: 246 (170 adult/76 pediatric)  
- # of Ventilators Still Available: 168 (99 adult/69 pediatric)  

**does not include Children’s Hospital and out of county hospitals like UCHealth Anschutz**  

DHHA has developed their own COVID-19 testing technology to clear hospital staff. They are currently testing ~100/day. They will move soon to ~1000/day. DHHA is coordinating w/ CCD to develop protocol for testing CCD key personnel. |

| RTD and DEN have been included in several City workgroups under the COVID-19 Task Force to better monitor and report out on transportation impacts. RTD is monitoring service impacts and the possibility of a national curfew. RTD changes will impact DEN employees so will need to keep communication lines open.  
RTD continues to operate as scheduled for essential travel. Service reduction to weekend hours/service will take effect April 19. Riders requested to limit time at stations and stops to 10 minutes and maintain social distance while waiting for transit. |

**DEN:**

Form 200-4
CITY AND COUNTY OF DENVER  
EOC SITUATION REPORT (EOC 200)

### Passenger Traffic
- Passenger traffic continues to fall – down ~90% from normal.
- On 3/25 there were 457 flight cancelations and 65 delays, not including flights already removed from airline schedules.
- Airlines are working with DEN to find additional space to park airplanes. Currently there are 45 airplanes parked both short and long-term around the airport including deicing areas and taxiways. These are very visible. United wants to park 60-70 total aircraft.
- Of 170 total concessions, 41 are closed, 58 operating with reduced hours. All experiencing dramatically reduced demand and staffing challenges.
- DEN is working w/ FAA on contingencies if airport or TSA personnel test positive for COVID-19. Such event would result in significant new operational delays for cleaning and restoring personnel.

### Hazardous Materials Management

No known hazardous materials impact at this time, other than bio-hazard of COVID-19 itself.

### PPE Acquisition & Distribution (Updated 3/26):

### Other

Supply chain impacts continue to be a source of concern for both medical supplies and certain high demand public commodities. Resource planning and requests should consider 4 months out given supply chain constraints. Requests need to be made and tracked, forms completed accurately for reimbursement consideration.
The CO Dept of Labor and Employment (Unemployment) is anticipating a significant increase in unemployment insurance claims. Adjudication and awards will take longer due to volume. L&E will enforce if certain businesses do not comply with order to provide 4 days sick leave to eligible employees. L&E will need help marketing website: [www.coloradoui.gov](http://www.coloradoui.gov) this will be much faster than calling. Additional concerns about workforce for hospitals and nursing homes.

### 14. General Notes
The Denver Emergency Operations Center (EOC) and Joint Information Center (JIC) moved to Full Activation Status (M-F) 0900-1600 on March 12, 2020. The current plan is full activation M-Sa 9:00am – 5:00pm, with partial activations on Sun. Shifts alternate with 1st shift Tu/Th/Sa and 2nd shift M/W/F. Starting 3/20/2020 EOC operated both in-person and virtually – 36 positions + JIC will be in person. All other positions were virtual.

The EOC is supported by the Joint Public Health and Environment Departmental Operations Center (DOC), which has been activated since 2 March. The EOC and DOC was supported by a Citywide COVID-19 Task Force but the Task Force was disbanded.

Initial economic relief packages were announced by the Mayor on 03/19/2020, including support for small businesses and artists and relief from parking enforcement and parking meter charges. There are also existing resources to help residents and businesses:

- **Property Tax & Rent Relief Program** – for residents older than 65, people with a disability, or low-income residents
- **Temporary Rental & Utility Assistance (TRUA)** – emergency rent and utility payments for those who qualify
- **Denver Human Services** offers eviction and rental assistance
- **Low-income Energy Assistance Program (LEAP)** – offering eligible residents help with a portion of their winter home heating bills

**CCD Staffing:**
- All non-essential City employees are ordered to work from home (as per SAHO). City is developing re-deployment plans for under-utilized employees to contribute to COVID-19 response.
- Staffing of shelters and other COVID-19 response will no longer employ on-call staff or Safety cadets, unless they explicitly volunteer and sign waiver (Concern is equity: these individuals are least likely to have health-care coverage).
