| *4. EOC Operational Period: | 39 |

| *5. Prepared By: | Name: Allen Yanong | Position: EOC Situation Branch |

| *6. Approved By: | Name: Alan Salazar | Position: EOC Director | Signature: |

**How to use the EOC 200:**

**Purpose:** The EOC 200 reports the incident situation to the State EOC based upon information from EOC positions, field units, dispatch supervisors, public information offices, and liaison officers. The EOC 200 summarizes relevant situation information as a “snapshot in time” for use by the State EOC.

**Prepared by:** EOC Situation Branch supported by all EOC Sections  
**Approved by:** EOC Director

MEDICAL SURGE UPDATE (Latest Update/Review 4/21)

Convention Center Tier 3 Alternate Care Site: Construction of first 250 beds turned over midnight April 18, beds and other supplies being installed by CONG with DPD security detail. Site commander from CDPHE will be Chris Wells until future notice. When he is on site we will tour together. Opening date pushed back to May 15. Contract for wrap-around services signed and contractors are engaged including cleaning of Halls C and D. Construction continues in B & E. Continuing topics of active inquiry: incident command structure and unity of command; provision of dietetically appropriate meals for chronic disease; role of area hospitals in site administration; possible admission of patients from sites other than hospitals.

State is exploring lease of a facility on Auraria Campus for Tier 4 Alternate Care Site.

Staffing requirements for 138 Activated Respite beds submitted today as 213RR and outreach to Denver Health which had expressed interest.

DENVER & REGIONAL HOSPITAL CAPACITY & UTILIZATION (Latest Update/Review 4/21):

PHE DOC in active discussion with CDPHE regarding 1) protocols for testing and cohorting COVID positive patients and staff; 2) regulatory division of labor between state and local; 3) ability to bring in staff from other healthcare providers. Prioritization and distribution of PPE has been increased. Daily EOC huddles on Ancillary Care Facilities occurring 1400hr. EOC prepared to support requests for increased staffing of both Ancillary Care facilities or for outbreak investigation teams; ongoing support for supply shortages.

TESTING: DHHA has acquired COVID-19 testing technology for inpatients, hospital, first responder and essential city staff. Two new test sites (by appointment only) added (SW and NE). Current daily testing approx. 500/day but awaiting test kits to raise to 1000/day. Several hospitals using commercial labs but all for symptomatic individuals only with emphasis on workers and inpatients.

### Transportation

DOTI - Dept. of Transportation & Infrastructure (Last Update/Review 4/21):
- Traffic on City streets ~50% of normal (largely unchanged).
- Street sweeping began 4/1, but no citations will be issued during April.
- Multiple street closures have been implemented, starting 4/4, to create more space for residents to exercise while practicing social distancing.
- Solid Waste reports increased waste volume - likely resulting from Stay-at-Home order.

RTD (Last Update/Review 4/21):
- Riders are to limit time at stations and stops to 10 minutes and maintain social distancing while waiting for transit.
- Capacity limited to ~15 passengers per bus (~20 on larger buses) to maintain social distancing. If necessary, buses will bypass stops if social-distancing capacity is reached. Additional buses and staging of buses added as necessary and as available. Capacity limited to ~30 passengers per rail car.
- Effective 4/5: suspension of Free Mall Shuttle and Metro Ride.
- Effective 4/5: suspension of collection of fares.
- Effective 4/19: service reduction to weekend hours/service.

DEN (Latest Update/Review 4/21):
- DEN passenger traffic down ~95% year-to-year (same drop experienced nationwide).
- DEN flight traffic down ~40% year-to-year.
- By mid-day, 315 flight cancellations (these numbers do not reflect flights already removed from airline schedules).
- ~70 aircraft parked air-side for storage, not counting those parked at gates or hangars. Other airlines anticipated to be storing aircraft both short and long term. As number of aircraft parking on closed taxiways grows, this will be visible to public. Runway 8-26 has been closed for additional aircraft parking.
- Of 170 total concessions, 87 closed, 48 operating with reduced hours. All experiencing reduced demand and staffing challenges. No changes today.
- Due to low passenger volumes, North TSA Checkpoint closed; South TSA Checkpoint open 24/7; A-Bridge TSA Checkpoint open 4:30am - 6:00pm.
- On Saturday – April 18th – DEN was notified that an airport emergency dispatcher from the DEN 9-1-1 Dispatch/Communications Center tested positive for COVID-19. As a result, DEN sent DDPHE’s risk assessment survey to numerous employees who had worked with the positive case. Based on survey results, an additional 12 Communications Center staff were instructed to isolate and schedule COVID-19 testing with Denver Health – essentially cutting Communications Center staff to bare minimum staffing within the span of 20 minutes with our emergency dispatchers operating at 30 percent of normal staffing capability. Two Communications Center Supervisors were pulled from their regular duties to cover emergency dispatch positions and we completely overhauled other schedules to ensure critical 24 hour coverage to maintain operations and safety at the airport.

### Hazardous Materials Management

No known hazardous materials impact at this time, other than bio-hazard of COVID-19 itself.

Donations of PPE and disinfectant supplies can be dropped off at Parks and Recreation Maintenance Building (4495 North Jason St.). Donations to date: 48 gallons of hand sanitizer; 500 manufactured masks; 175 homemade masks; 38 medical gowns; 30,000 pairs of gloves. Distributions of donated PPE and supplies began 4/17/20.

### CCD STAFFING, STAFFING & SERVICES BY AGENCY:

All non-essential City employees are ordered to work from home (as per SAHO). In certain instances, existing City staff are being redeployed to assist with the COVID 19 effort.

### REDEPLOYMENT OF CITY STAFF FOR COVID-19 RESPONSE (Latest Update/Review 4/21):

- **Total redeployment activations**: 21 total, 16 currently active (down from 17 yesterday).
- **Total # of City staff re-deployed**: 270 (no change, steady from yesterday).

There are currently more redeployment requests than there are available staff. As we begin to open offices and services redeployed staff will need to return to their primary function and the redeployments will still be active.
Staffing of shelters and other COVID-19 response will no longer employ on-call staff or Safety cadets, unless they explicitly volunteer and sign waiver (Concern is equity: these individuals are least likely to have healthcare coverage).
