DSD Use of Force Metrics Year To Date
January 1, 2020 to February 29, 2020

* Use of Force incidents means the use of any physical force by uniformed staff, or claimed use of force against another individual. *

** The Administrative Investigation Unit (AIU) of the Department of Safety investigates use of force complaints against Denver Sheriff’s Department uniformed staff. AIU does not determine whether a violation has occurred or issue discipline. **

*** Sustained Use of Force Violations occur if the actions of uniformed staff are found by a preponderance of the evidence to have been in violation of the Department policy. ***
