

# County Jail Programs and Services

## Carey Guides

Self-study journals in English and Spanish to address the following key life areas: Thoughts and Beliefs, Coping/Self-Control Skills, Friends, Family/Relationships, Alcohol and/or Drug Use, Work, School, and Use of Free Time. There are fourteen journals that you can work through and they will be assigned one at a time upon request.

**Contact: Programs**

## Mental Health Assistance

Mental health screening and therapy provided by the Denver Health team and include mental health Transition Units at County Jail.

**Contact: Denver Health**

## Religious & Counseling Services

Spiritual counseling through the chaplain and volunteers from outside organizations. Religious items, reading materials, as well as religious diets.

**Contact: Programs**

## R.I.S.E. (Recovery in a Secured Environment)

Peer led intensive substance abuse and alcohol treatment program. Priority is given to inmates who are court ordered into RISE. Supported by Empowerment and Mile High Behavioral Health Care.

**Contact: Programs**

## Reentry Services

Services to assist people through case management, classes, and community resource information prior to and after being released provided by Transition from Jail to Community Collaborative (TJCC).

**Contact: Programs**

*For all offered services, please send a clearly written kite with your name and CD# to the **contact** listed.*

**Please note that not all services may be offered in your pod.** For services or programs not listed above, please speak with your housing officer for more information. Earned Time Credit is ONLY available for people enrolled and participating successfully in Reentry Program, RISE, and Transition Unit programs. ETC of 3 days may be received for 30 days of successful programming and is not earned for people serving flat time or if an inmate is found guilty at a discipline review board. People may still participate in Reentry Program, RISE, and Transition Unit programs if ineligible for ETC. ETC Certificates are sent by programs staff to Records and Records then processes and approves ETC based on eligibility for ETC.

## Reentry Program

A program for people who have at least 60 days to serve. If approved through programs the individual will be assigned two classes based on identified needs such as job readiness, cognitive behavioral education, substance abuse education, etc.

**Contact: Programs**

## Denver Human Services Outreach
