

CERTIFICATE OF COMMITTED PARTNERSHIP

No. xxxx

Issued to

Person #1 and Person #2

We, the undersigned Committed Partners, do each hereby attest to the following:

- That we are unmarried, eighteen years of age or older, and competent to contract;
- That we have not been prohibited from marrying under the law of this state by reason of a blood relationship or other comparable domestic partnership;
- That we share a common household, where we both reside some or all of the time;
- That we do not have different committed partners under the provisions of Ordinance 897, Series of 1999 or any other comparable domestic partnership provision;
- That we understand a committed partnership is not a marriage, and, under current law, registering a committed partnership under the provisions of committed partnership on its own will not affect our property or contract rights under current Colorado state law and that in order to provide for inheritance and other property rights we will have to execute wills and other documents (including, but not limited to, general and/or medical powers of attorney) in addition to this Certificate of Committed Partnership;
- That we have read Ordinance 897, Series of 1999 and thoroughly understand and agree to comply with the provisions thereof; and
- That we understand that this Certificate of Committed Partnership and the Domestic Partnerships Registry are part of the public record.
