Tips for Traveling Through the Brighton Construction Corridor

Drivers
- Stay alert and minimize distractions
- Pay attention to the road and watch for signs
- Don’t tailgate
- Obey the posted speed limit
- Always follow the instructions from flaggers
- Be patient and remember better roads are ahead!

Pedestrians
- Select a safe path
  - Stay in the designated pedestrian path areas
  - Cross at intersections with traffic signals
- Don’t be a “sidewalk superintendent”
  - While construction work is interesting to watch, remember that your priority is to get through the work zone safely
  - Do not go into work areas

Cyclists
- Lanes are narrow on Brighton. Use Arkins Court or other designated bike routes
- Be predictable
- Ride defensively
- Don’t use your cell phone while you are riding through a construction zone
