Health & Medical	<p>Preparations are being made for “Medical Surge”: developing locations for “safe haven” facilities for moving hospital patients out of critical care; and “alternative care” facilities for managing “soft” care medical cases and for housing medical staff. These efforts are expected to free up sufficient space in hospitals to manage critical care demand.</p> <p>As of 3/25/2020 hospitals are resting staff in anticipation of surge, they have a 7-10 day PPE supply, elective surgeries are banned, 135 of 170 adult vents and 60 of 76 pediatric vents are available but much higher demand is anticipated for surge, and PHEDOC is investigating is vents are available from closed ambulatory surgery centers and veterinarians. CITY AND COUNTY OF DENVER EOC SITUATION REPORT (EOC 200)

Notes:

The Denver Emergency Operations Center (EOC) and Joint Information Center (JIC) moved to Full Activation Status (M-F) 0900-1600 on March 12, 2020. The current plan is full activation M-Sa 9:00am – 5:00pm, with partial activations on Sun. Shifts alternate with 1st shift Tu/Th/Sa and 2nd shift M/W/F. Starting 3/20/2020 EOC operated both in-person and virtually – 36 positions + JIC will be in person. All other positions were virtual.

The EOC is supported by the Joint Public Health and Environment Departmental Operations Center (DOC), which has been activated since 2 March. The EOC and DOC was supported by a Citywide COVID-19 Task Force but the Task Force was disbanded.

Initial economic relief packages were announced by the Mayor on 03/19/2020, including support for small businesses and artists and relief from parking enforcement and parking meter charges. There are also existing resources to help residents and businesses:

- [Property Tax & Rent Relief Program](#) – for residents older than 65, people with a disability, or low-income residents
- [Temporary Rental & Utility Assistance \(TRUA\)](#) – emergency rent and utility payments for those who qualify
- [Denver Human Services](#) offers eviction and rental assistance
- [Low-income Energy Assistance Program \(LEAP\)](#) – offering eligible residents help with a portion of their winter home heating bills

CCD Staffing:

- All non-essential City employees are ordered to work from home (as per SAHO). City is developing re-deployment plans for under-utilized employees to contribute to COVID-19 response.
- Staffing of shelters and other COVID-19 response will no longer employ on-call staff or Safety cadets, unless they explicitly volunteer and sign waiver (Concern is equity: these individuals are least likely to have health-care coverage).
