## 2017 General Obligation Bond Meeting Minutes

### Additional ADA Projects Discussion

- Discussion on timelines and budget for ADA projects:
  - o Review of 750+ projects, details of those identified
  - o Distribution of ADA projects among GO Bond committees
  - o Alternative budget sources for ADA projects (ex. CIP funds, etc.)
- Discussion on incorporation of ADA compliance in bond projects and the importance of cross-departmental collaboration when implementing ADA projects.

### Homelessness Projects Presentation

- Overview of homelessness services in the City including community need, breakdown of investments and contributions by department, city-owned shelter space overview, program change toward prevention strategies.
- Proposal Scope/Overview:
  - o Three types of housing: emergency housing, bridge housing, permanent supportive housing
  - o *Project options/phasing:*
    - Build-out facilities for emergency housing/day sheltering and apply for state/federal resources
    - Focus resources on bridge/rehabilitation housing and communal spaces with permanent supportive housing solutions
    - Availability of private resources to offer additional funding for services

### Additional Committee Discussion on Homelessness

- Discussion of public perception of need and priorities around homelessness, long term homelessness service needs, and fully utilizing properties the City owns to support the homeless population.
-
