Meeting Notes

Introductions

Executive Committee Meeting Updates

- Committee members declared no conflict of interest prior to beginning the evening's discussion.

Project Criteria and Review:

The previous week's prioritization of projects was reviewed and amended in the following manner:

- The demolition of the Pre-Detention Arraignment Facility (PADF) was combined with the reconstruction of the Safety plaza in the "High" category.
- The various improvements associated with the County Jail were moved to the top priority in the "High" category.
- The proposed fire station at 72nd & Tower was moved to the fourth highest priority in the "High" category.
- The various improvements associated with fire stations was moved to the highest priority in the "Phased" category.

2017 General Obligation Bond Meeting Minutes
