EXECUTIVE ORDER NO. 114

TO: All Departments and Agencies Under the Mayor

FROM: Mayor

DATE: May 4, 2012

SUBJECT: Securities Disclosure Policies and Practices of the City and County of Denver

PURPOSE: This Executive Order establishes the policy of the City and County of Denver for the preparation and dissemination of information that must be disclosed in connection with the issuance of certain bonds, notes, certificates of participation and other municipal securities of the City and its Enterprises. The City is required to prepare and disseminate certain disclosure information in order to comply with Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, including a requirement for continuing disclosure of annual financial information and notices of certain material events in a timely fashion. These reporting and disclosure practices require close coordination on the part of the City in order to assure compliance with contractual Undertakings, promote uniformity in disclosures and reduce liability on the part of the City to holders of securities.

This Order is designed to centralize the information dissemination process, to establish appropriate controls on Disclosure Statements made by the City’s Department of Finance, and to enable the City and its Enterprises to comply with Rule 15c2-12, in order to assure the City’s access to the capital markets as a source of funds for necessary and useful public undertakings of the City.

This Order is not designed to limit any person’s access to public records or information, nor to infringe upon the political process, in particular the right of any elected official of the City to review, discuss, release, comment upon or criticize any information.
