

**HEARINGS OFFICER, CAREER SERVICE BOARD,
CITY AND COUNTY OF DENVER, COLORADO**

Appeal No. 25-05

ORDER DISMISSING APPEAL

IN THE MATTER OF THE APPEAL OF:

JOHN HOFFMAN, Appellant,

vs.

Career Service Authority, Agency,
and the City and County of Denver, a municipal corporation.

The subject of this appeal is the rating for the Appellant's March 4, 2005 annual review. At the August 18, 2005 status conference in this matter, the parties agreed the Agency changed the rating of the Appellant's review from "needs improvement" to "effective." The Appellant further requested certain comments within his review to be deleted.

Because the Appellant's review is now rated "effective," the Hearings Officer's jurisdiction has been eliminated pursuant to Career Service Rule 19-10 e), and therefore he is without authority to grant the Appellant's additional remedy. In addition, even if the review were improperly rated as "needs improvement," and therefore within the Hearings Officer's jurisdiction, the Hearings Officer has no authority to require changing the supervisor's comments within a review, even when the overall rating is reversed.

For these reasons, the Appellant's appeal is moot, and this appeal accordingly is DISMISSED.

DONE this 18th day of August, 2005.

Bruce A. Plotkin
Hearings Officer
Career Service Board
