

**CAREER SERVICE BOARD
CITY AND COUNTY OF DENVER, COLORADO**

Appeal No. 52-11A

IN THE MATTER OF THE APPEAL OF

RUSSELL LUXA, Petitioner,

vs.

DEPARTMENT OF PUBLIC WORKS,
and the City and County of Denver, a municipal corporation, Agency.

ORDER ON MOTION TO ACCEPT TRANSCRIPT

Petitioner has moved for us to accept a transcript created by a court reporting service retained by the Petitioner as the official transcript for the above-captioned hearing.

It is and has been the practice of the Hearing Officers to electronically record the hearing proceedings. The Hearing Officers consistently refer to this as going "on the record". The parties to the hearing are well aware that the proceedings are being recorded for the purpose of creating a record. When a party appeals a Hearing Officer's decision to this Board, the official record of the proceedings is transcribed from the recording made by the Hearing Officer at the hearing.

We will only have one official record of a hearing – and that record will be the one transcribed from the recording created by the Hearing Officer at the hearing.

Accordingly, Petitioner's motion to accept his transcript as the official record of the hearing is DENIED.

SO ORDERED by the Board on October 18, 2012, and
documented this 20th day of December, 2012.
