
ORDER GRANTING APPELLANT'S MOTION FOR FORMAL DISCOVERY

IN THE MATTER OF THE APPEAL OF:

EVERETT VONNER, Appellant,

vs.

DEPARTMENT OF SAFETY, DENVER SHERIFF'S DEPARTMENT,
and the City and County of Denver, a municipal corporation, Agency.

On December 9, 2013, Appellant filed a Motion for Formal Discovery. The motion requested the Agency to produce Appellant's entire Career Service Personnel File and the Denver Sheriff Department's complete Internal Affairs file. The motion was filed subsequent to an informal discovery request for the same files.

On December 16, the Agency objected to Appellant's motion as unnecessary because it was already reviewing the requested documents to redact privileged or confidential information. The Agency stated it intended to provide the documents and a privilege log to the Appellant by December 19, 2013.

Appellants' motion for discovery is GRANTED. The Agency shall produce the files requested, with redactions for privileged and confidential information, on or before December 19, 2013.

DONE December 18, 2013.
