FOR THE CITY: Ron Jones, Zoning Representative
Nathan Lucero, Senior Assistant City
Attorney Tina Axelrad, Zoning Administrator

SUBJECT:

Appeal of a denial of a permit to amend/divide a zone lot containing a multi-unit dwelling in a TU zone district resulting in a reduction in land area on the zone lot (zone lots with multi-unit dwellings in TU zone districts shall not be reduced, expanded, or enlarged), resulting in the creation of a new / additional Compliant Element of the Primary Structure, with an existing multiple-unit dwelling projecting 10 feet 5.5 inches through the north bulk plane, in a U-TU-C zone; and an appeal for Review of an Administrative Decision finding that the existing multiple-unit dwelling structure has seven legally established units, in a U-TU-C zone

ACTION OF THE BOARD:

The request for Review of an Administrative Decision is DENIED. The Board finds that there is not clear and convincing evidence to show that the Zoning Administrator erred in the decision finding that the existing Multiple-Unit Dwelling Structure has Seven Legally established units. The action of the Zoning Administrator is thus upheld. The request for a Variance is DENIED for failure of the Appellants to meet all the conditions required for a Variance under Section 12.4.7.5 and 12.4.7.6 of the Zoning Code. The Appellants have 20 days in which to request a Reconsideration if they believe there is new evidence of hardship which was not or could not have been presented at the hearing, or 28 days to appeal this decision to Denver District Court.
