Name of Applicant (individual)

the liquor license currently issued to _____

Entity Name of Current Owner

at the location known as _____

Full Street Address

and having the City and County of Denver License number _____-BFN-_____

and corresponding Colorado state license number _____:

I understand and agree that if the transfer of the license is approved, the license may continue to be subject to any restrictions or conditions currently on the license. I understand that if there are any days of suspension currently being held in abeyance against the license, the license may continue to be subject to those days in abeyance even after the transfer.

I understand that if there are any disciplinary actions against the license, either currently in progress or pending, that the license may be subject to those disciplinary actions including, but not limited to revocation, suspension, and fines in lieu of suspension. I further understand that if any incidents, which could subject the license to disciplinary action have either occurred or will occur on the licensed premises prior to the approval of the transfer, the license may be subject to possible disciplinary actions that could affect the license, even after the transfer, only where myself, my agent(s) and my employees either knew or should have known of the incidents.

I understand that it is my sole responsibility to inquire and investigate all possible sources of information to learn of any past, ongoing, or possible future disciplinary actions that could result in any revocation, suspension, or fines being imposed. These sources include, but are not limited to the inquiry and investigation of the current licensee, manager(s), employees of the licensed premises, and the review of the public records of the Colorado Department of Revenue, the Denver Department of Excise and Licenses, the Denver Police Department, the Denver District Court, or the Denver County Court – Criminal and General Session Divisions.

I also understand that I have the option to withdraw the application for the transfer of the license and file an application for the issuance of a new liquor license. Should a new liquor license be issued, that license would NOT be subject to any disciplinary action based upon incidents prior to the issuance of the new license.
