

Social Media Policy

Social media is an important tool for building our community, improving knowledge, solving problems, and understanding the work we do in the Office of the Clerk and Recorder (“Office”). The Office has two divisions –Denver Elections and the Clerk & Recorder Division. Each division maintains separate social media sites and websites.

This policy governs all sites and websites of the Denver Office of the Clerk and Recorder.

The comments from the public expressed on our social media channels do not reflect the opinions of the Office of the Clerk and Recorder, nor do we approve the content of any public postings or commentary on our social media channels. You, as the poster, are responsible for the content of your messages.

Our social media channels are limited to the discussion of matters related to the Office of the Clerk and Recorder and its mission. We welcome all comments, questions, and concerns about these topics that foster discussion and communication. To further this goal, the Office reserves the right to delete comments, without notice, that contain:

- Electioneering for candidates or issues
- Information affiliated with or promoting political campaigns
- Confidential information
- Content that is unrelated to the related post or work done by the Office
- Personal attacks
- Highly repetitive posts that amount to harassment
- Obscenity, profanity and vulgar language
- Promotion of discrimination
- Indication or encouragement of illegal activity
- Advocacy of violence
- Spam or links to unrelated sites
- Promotions of particular services, products or political candidates or organizations
- Infringement of copyrights, trademarks or other intellectual property
- Information that may compromise the safety, security or proceedings of public systems or any criminal or civil investigations
- Personal or sensitive information (social security numbers, credit card numbers, medical information, account numbers, banking information, phone numbers, email addresses, postal addresses and similar materials).

Continued or egregious postings of this sort may prompt the Office of the Clerk and Recorder to further restrict your commenting on official City and County of Denver social media platforms. The Clerk and Recorder’s use of external social media is provided as a public service.

The Clerk and Recorder disclaims liability for ads, videos, promoted content or comments accessible from any external web page. The responsibility for external content or comments rests with the organizations or individuals providing them. Any inclusion of external content or comments on social media sites does not imply endorsement by the City and County of Denver or the Clerk and Recorder.
