

# Holistic Sustainability Working Group Agenda

May 26 | 10 a.m. to 12 p.m.

- **Welcome and introductions**
  - Overview of Denver's long-term community goals
  - Goals for the working group
  - Overview of Denver climate action goals
- **Bill Reed, AIA, LEED**
  - Bill is an internationally recognized planning consultant, design process facilitator, lecturer, teacher, and author in sustainability and regeneration. He is a principal of Regenesys, Inc. – a regenerative design, living systems integrator, and education organization.
- **Learn how to participate in the meeting**
  - We are using Mural – a virtual whiteboard – to collect ideas and concepts from participants
- **Introduce areas of focus for this meeting**
  - Water
  - Outcome-focused development
  - Site sustainability
  - District wide measures
  - Adaptation and resiliency
  - Community resident health
- **Open the floor to attendees**
  - Attendees are invited to discuss topics not already covered
- **Close of meeting**
  - Please join us again on June 2 and 9 at 10:00 a.m. as we continue the conversation
