

## Near Southeast Area Plan

# Ready to work on your area plan?

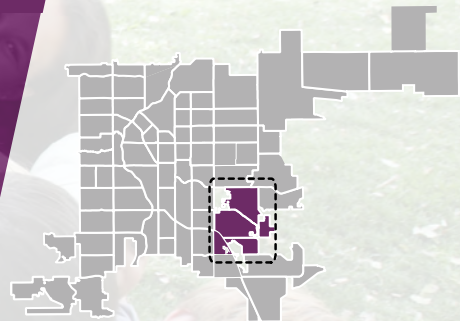

The Near Southeast Planning Area is made up of the neighborhoods of **Washington Virginia Vale**, **Virginia Village**, **Indian Creek**, **Goldsmith**, and **University Hills North**. As part of the Neighborhood Planning Initiative, this project provides a great opportunity to create a long-term vision for these neighborhoods that addresses citywide goals and priorities in a way that fits with local neighborhood needs.

## Near Southeast Area Plan

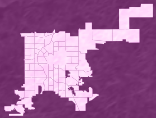

# Listo para trabajar en su plan de área?

El área de planificación Near Southeast se compone de los vecindarios de **Washington Virginia Vale, Virginia Village, Indian Creek, Goldsmith, y University Hills North**. Como parte de la iniciativa de planificación vecinal, este proyecto ofrece una gran oportunidad para crear una vision de largo plazo para estos vecindarios que aborda metas y prioridades de la ciudad de una manera que se adapte a las necesidades del vecindario local.
