Any Proposer that contacts any member of the Selection Committee, other than the designated contact, from the date of issuance of the RFQ and prior to the completion of the selection process may be disqualified from further participation in the selection process, at the City’s sole discretion.

VI. **Project Overview (Melanie Short)**

The City and County of Denver (City) is soliciting Requests for Qualifications from Design Teams to provide Architectural and Engineering Professional Services for the Boettcher Concert Hall Building Renovation Project for Denver Arts and Venues. This three-year project will renovate and rehabilitate the existing Boettcher Concert Hall on the Denver Performing Arts Complex. Generally, the renovation will address major systems and finishes that are beyond their useful life.

The primary focus of Boettcher Concert Hall Renovation Project includes renovation of the existing building to upgrade HVAC systems, upgrade fire and other life safety building system upgrades, new interior finishes, data and technology upgrades. This project will include exterior work on the roofing and associated accessories. Construction will likely be in a single phase with construction delivery method to be Construction Manager/General Contractor (CM/GC).

All improvements must meet current code and ordinance requirements, including Denver amendments, as well as LEED Gold, per Executive Order 123. Contract will be for Schematic design through Construction Administration.

The City desires to award one professional services contract for a three-year duration and a maximum contract capacity of $1,250,000.00 or as determined by the City prior to execution of the contract.

VII. **Q & A** - please send any additional questions or those needing a more thorough answer to doti.procurement@denvergov.org so they may be answered in a subsequent addendum.
