The DEDO/DWD anticipates that total funding for this solicitation, expected to equal $1,000,000.00 shall emanate from funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purposes of the Program. The City does not irrevocably pledge present cash reserves for payment or performance in future fiscal years and this RFP is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City. Funding for this RFP is expressly contingent upon final budget approval to utilize American Rescue Plan Act (ARPA) funding from the U.S. Treasury, and approval by the Mayor and City Council of the City and County of Denver. The City, DEDO and the DEDO/Denver WDB reserve the right to negotiate the final contracts between the City and County of Denver and any other party.
A.15 **USE OF ARPA FUNDS**

The funds for the City to pay for the services described herein have been provided in accordance with the American Rescue Plan Act, Public Law No. 117-2 (March 11, 2021) ("ARPA"). All funding from ARPA (collectively, "ARPA Funds") may only be used to cover eligible costs incurred by the City during the period that begins on March 3, 2021 and ends on December 31, 2024.
