RECITALS

A. On July 22, 2014, the United States Congress enacted the Workforce Innovation and Opportunity Act of 2014 (“WIOA”) to provide, among other things, workforce investment activities through statewide and local workforce development systems, increase employment, retention, and earnings of participants, and increase attainment of occupational skills by participants. Through such activities, WIOA seeks to improve the quality of the workforce, reduce welfare dependence, increase economic self-sufficiency, meet the skill requirements of employers, and enhance the productivity and competitiveness of the productivity and competitiveness of the Nation.

B. The City and County of Denver has been designated by the Governor of the State of Colorado as a local workforce investment area in order to receive and allocate WIOA funding and to otherwise coordinate WIOA activities. In addition, a local workforce development board has been established to carry out any WIOA specified functions.

C. The City has been or will be designated by the State of Colorado as a sub-recipient of WIOA funds for the Denver local area pursuant to an agreement with the State of Colorado Department of Labor and Employment in order to implement and coordinate WIOA activities with the City’s Local Board in accordance with WIOA.

D. WIOA requires, among other things, certain partnering and collaboration activities to align WIOA with other federally funded workforce programs including without limitation certain elements of the Federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (“PRWORA”) related to the Temporary Assistance for Needy Families program (“TANF”) (PRWORA/TANF-CFDA# 93.558).
E. In 2020, the City, through a competitive process, designated the Contractor as the One Stop Operator to implement a comprehensive one-stop system for workforce investment activities in the City and County of Denver including providing services at certain City owned or operated facilities.

F. The Mayor and the Local Board have determined to extend the Contractor’s designation as the One Stop Operator for the term of this Agreement to ensure the continued operation workforce services and related activities in accordance or consistent with WIOA.

G. This Agreement, and its Exhibits, sets forth the conditions upon which the One-Stop Delivery System will be implemented in accordance with applicable laws.

The Parties therefore agree as follows:

The foregoing in no way limits Contractor’s obligation to reimburse the City for any costs or expenses paid under this
Agreement that have been determined to be unallowable or disallowed by the Federal Government, State Government, or the City in accordance with applicable Federal Laws, State Laws, or the Charter, ordinances, rules, regulations, policies, and Executive Orders of the City and County of Denver.

In the event that Federal Funds, or any part thereof, are not awarded to the City or are reduced or eliminated by the Federal Government or the State of Colorado, the City may reduce the total amount of compensation to be paid to the Contractor by revising Exhibits A and/or B, in accordance with Section 2.2 above, or it may terminate this Agreement.

The Contractor shall at all times comply with Denver Revised Municipal Code Section 20-276.

12.2. The Contractor acknowledges that it is subject to any and all applicable regulations or guidance of the United States Office of Management and Budget including, but not limited to, all applicable laws, rules, regulations, policy statements, and guidance issued by the Federal Government (including the United States Office of Management and Budget), regarding audit requirements and access to records requirements. If the identified irregularities or deficiencies cannot be corrected by the date designated by the City, then Contractor will so notify the City in writing and will identify a date that Contractor expects to correct the irregularities or deficiencies; provided, however, that if Contractor’s notice is dated within thirty (30) calendar days prior to the Expiration Date or effective date of earlier termination, then Contractor’s corrections will be made and submitted to the City on or before the fifth (5th) working day from the Expiration Date or effective date of earlier termination. The Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

13.2. **Proof of Insurance:** Contractor may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. Contractor certifies that the certificate of insurance attached as Exhibit E, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the City’s contract number be referenced on the certificate of insurance. The City’s acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor’s breach of this Agreement or of any of the City’s rights or remedies under this Agreement. The City’s Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

13.3. **Additional Insureds:** For Commercial General Liability, Auto Liability and Excess Liability/Umbrella (if required), Contractor and subcontractor’s
insurer(s) shall name the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of the Contractor or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

14.2. The Contractor’s duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. The Contractor’s duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City’s negligence or willful misconduct was the sole cause of claimant’s damages.

14.3. Contractor will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City’s exclusive remedy.

14.4. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.

14.5. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

If it obtains actual knowledge that a subconsultant or subcontractor performing work under this Agreement knowingly employs or contracts with a worker without authorization, it will notify such subconsultant or subcontractor and the City within three (3) days. The Contractor shall also terminate such subconsultant or subcontractor if within three (3) days after such notice the subconsultant or subcontractor does not stop employing or contracting with the worker without authorization, unless during the three-day period the subconsultant or subcontractor provides information to establish that the subconsultant or subcontractor has not knowingly employed or contracted with a worker without authorization.

6. It will comply with a reasonable request made in the course of an investigation by the Colorado Department of Labor and Employment under authority of § 8-17.5-102(5), C.R.S., or the City Auditor, under authority of D.R.M.C. 20-90.3.

c) The Contractor is liable for any violations as provided in the Certification Ordinance. If Contractor violates any provision of this section or the Certification Ordinance, the City may terminate this Agreement for a breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the City. Any such termination of a contract due to a
violation of this section or the Certification Ordinance may also, at the discretion of the City, constitute grounds for disqualifying Contractor from submitting bids or proposals for future contracts with the City.

The Contractor shall not use, willingly allow another to use, or cause any Materials to be used for any purpose other than for the performance of the Contractor’s duties and obligations under this Contract without the prior, express written consent of the City. To the extent permitted by the U.S. Copyright Act, 17 U.S.C. § 101, et seq., the Materials are a “work made for hire” and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. b) Contractor shall not create, purchase, license, supply or use any logos, software programs, software as a service, websites, mobile applications, domain names, social media accounts, or third party software, social media, applications or websites in connection with the Services or any other affiliated services supplied by the Contractor unless the program, product or service, in each case, is specifically identified as an expense on Exhibit B or Contractor has obtained the DWS Director’s prior written permission to create, purchase, license, supply or use the program, product or service and otherwise complied with all requirements of the City concerning said matter. The Contractor shall maintain and keep current an inventory, in such format as designated by the DWS Director, of all such approved Materials. Contractor will submit a copy of the most current version of the Materials inventory with Contractor’s periodic request for payment. The City will have final decision-making authority to determine and/or edit the final content, design, layout, format, and “look and feel” of any such Materials. The Contractor will ensure that all Materials, or any portion or version thereof, do not, directly or indirectly, in whole or in part, infringe upon any third party’s copyright, trademark, patent, or other intellectual property rights, title or interests.

16.3. Patentable Intellectual Property: The City and Contractor intend that Intellectual Property includes any and all software that is excluded from copyright materials as well as any improvement, invention, discovery, know-how, business method, or other invention which is or may be patentable or otherwise protectable under the laws of the United States (whether or not produced in the United States) conceived or first actually reduced to practice in the performance of work under this contract by the Contractor, or any of its third party contractors, in connection with the services provided under the Agreement. The Contractor shall immediately notify the DWS Director in

If the Contractor employs any third-party product, design, device, material or process covered by letter of patent or copyright, it shall provide for such use by suitable legal agreement with the third party patentee or copyright owner. The Contractor shall defend, indemnify, and hold harmless the City from any and all claims for infringement by reason of the use of any such patented design, device, material or process, or any trademark or copyright, and shall indemnify the City for any costs, expenses and damages which it may be obligated to pay by reason of any infringement, at any time during the prosecution or after the completion of services. Where the Services, or any other affiliated services provided by Contractor, contain false, offensive, or disparaging content or portray the City, its appointed and elected officials, agents and employees, or any third party in a disparaging way, either as solely determined by the City or the third party, as appropriate, Contractor will immediately remove the false, offensive, or disparaging content. If Contractor fails to do so, the City will have the right, at the City’s sole election, to immediately enforce any remedies available to it under this Agreement or applicable laws. The requirements and obligations contained in the preceding sentences of this Section 16.4 will not apply to a specific third-party patented device, material or processes that the DWS Director has directed, in writing, the Contractor to use.

16.5. **Federal License:** Contractor acknowledges that pursuant to Federal Law, the Federal Government reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, all copyrighted material and all material which can be copyrighted.

Upon receipt of such permission, the Contractor shall fully coordinate all logo use with the City’s Director of Marketing or, if and as directed, with a designated employee of the Agency.
16.7. **Contractor’s Pre-existing Intellectual Property:** Notwithstanding the language in Section 16.1, as between the Parties, Contractor shall retain all copyrights, trademarks, service marks, trade secrets, patents, patent applications, moral rights, contract rights and other proprietary rights in any and all pre-existing tools, routines, programs, designs, technology, ideas know-how, processes, formulas, techniques, improvements, inventions and works of authorship which were made, developed, conceived or reduced to practice by Contractor prior to the commencement of work under this Agreement and which have general applicability apart from the Services and any derivative works thereof (collectively, the “Contractor’s Pre-existing Intellectual Property”). Contractor will within thirty (30) days from the Commencement Date, disclose to the DWS Director in writing all such Contractor’s Pre-existing Intellectual Property including without limitation pre-existing Contractor owned source code or object code. Section 18
City Confidential Information/Open Records

18. CONFIDENTIAL INFORMATION; OPEN RECORDS:

18.1. City Information: The Contractor acknowledges and accepts that, in performance of all work under the terms of this Agreement, the Contractor may have access to Proprietary Data or confidential information that may be owned or controlled by the City, and that the disclosure of such Proprietary Data or information may be damaging to the City or third parties. The Contractor agrees that all Proprietary Data, confidential information or any other data or information provided or otherwise disclosed by the City to the Contractor shall be held in confidence and used only in the performance of its obligations under this Agreement. The Contractor shall exercise the same standard of care to protect such Proprietary Data and information as a reasonably prudent contractor would to protect its own proprietary or confidential data. “Proprietary Data” shall mean any materials or information which may be designated or marked “Proprietary” or “Confidential,” or which would not be documents subject to disclosure pursuant to the Colorado Open Records Act or City ordinance and provided or made available to the Contractor by the City. Such Proprietary Data may be in hardcopy, printed, digital or electronic format.

18.2. Use and Protection of Proprietary Data and Confidential Information:

a) Except as expressly provided by the terms of this Agreement, the Contractor agrees that it shall not disseminate, transmit, license,
sublicense, assign, lease, release, publish, post on the internet, transfer, sell, permit access to, distribute, allow interactive rights to, or otherwise make available any data, including Proprietary Data or confidential information or any part thereof to any other person, party or entity in any form of media for any purpose other than performing its obligations under this Agreement. The Contractor further acknowledges that by providing data, Proprietary Data or confidential information, the City is not granting to the Contractor any right or license to use such data except as provided in this Agreement. The Contractor further agrees not to disclose or distribute to any other party, in whole or in part, the data, Proprietary Data or confidential information without written authorization from the Executive Director and will immediately notify the City if any information of the City is requested from the Contractor from a third party.

b) The Contractor agrees, with respect to the Proprietary Data and confidential information, that: (1) the Contractor shall not copy, recreate, reverse engineer or decompile such data, in whole or in part, unless authorized in writing by the Executive Director; (2) the Contractor shall retain no copies, recreations, compilations, or decompilations, in whole or in part, of such data; and (3) the Contractor shall, upon the expiration or earlier termination of the Agreement, destroy (and, in writing, certify destruction) or return all such data or work products incorporating such data or information to the City.

c) The Contractor shall develop, implement, maintain and use appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of all electronically maintained or transmitted data received from, or on behalf of City. It is the responsibility of the Contractor to ensure that all possible measures have been taken to secure the computers or any other storage devices used for City data. This includes industry accepted firewalls, up-to-date anti-virus software, controlled access to the physical location of the hardware itself.

d) **Employees and Subcontractors:** Contractor will inform its employees and officers of the obligations under this Agreement, and all requirements and obligations of Contractor under this Agreement will survive the expiration or earlier termination of this Agreement. Contractor will not disclose proprietary information or confidential information to subcontractors unless such subcontractors are bound by non-disclosure and confidentiality provisions at least as strict as those contained in this Agreement.

e) **Disclaimer:** Notwithstanding any other provision of this Agreement, the City is furnishing Proprietary Data and confidential information on an "as is" basis, without any support whatsoever, and without representation, warranty or guarantee, including but not in any manner limited to, fitness,
merchantability or the accuracy and completeness of the Proprietary Data or confidential information. The Contractor is hereby advised to verify its work. The City assumes no liability for any errors or omissions herein. Specifically, the City is not responsible for any costs including, but not limited to, those incurred as a result of lost revenues, loss of use of data, the costs of recovering such programs or data, the cost of any substitute program, claims by third parties, or for similar costs. If discrepancies are found, the Contractor agrees to contact the City immediately.

f) **Contractor's Confidential Information; Open Records:** If the City is furnished with proprietary data or confidential information that may be owned or controlled by Contractor ("Contractor's Confidential Information"), the City will endeavor, to the extent provided by law, to comply with the requirements provided by Contractor concerning Contractor’s Confidential Information. However, Contractor understands that all the material provided or produced by Contractor under this Agreement may be subject to the Colorado Open Records Act., §§ 24-72-201, et seq., C.R.S. In the event of a request to the City for disclosure of such information, the City will advise Contractor of such request in order to give Contractor the opportunity to object to the disclosure of any of its Contractor Confidential Information and take necessary legal recourse. In the event of the filing of a lawsuit to compel such disclosure, the City will tender all such material to the court for judicial determination of the issue of disclosure and Contractor agrees to intervene in such lawsuit to protect and assert its claims of privilege against disclosure of such material or waive the same. Contractor further agrees to defend, indemnify, save, and hold harmless the City from any Claims arising out of Contractor's intervention to protect and assert its claim of privilege against disclosure under this Section 18.2(e) including, without limitation, prompt reimbursement to the City of all reasonable attorneys’ fees, costs, and damages that the City may incur directly or may be ordered to pay by such court.

**Section 19**
**Additional Provisions**

19. **ADDITIONAL PROVISIONS:**

19.1. **Reasonableness of Consent or Approval:** Whenever under this Agreement the term "reasonableness" is the standard for the granting or denial of the consent or approval of either party hereto, such party shall be entitled to consider public and governmental policy, moral and ethical standards, as well as business and economic considerations.

19.2. **Force Majeure:** Performance of this Agreement may be delayed and/or suspended by any act of God, war, civil disorder, terrorist acts, employment strike, hazardous or harmful condition, or other cause beyond the control of
either party (“Force Majeure Event”). Contractor shall use any means available
to provide City with notice of any Force Majeure Event, and at its earliest
possible opportunity. Neither Party shall be held liable for any default, damages
and/or breach of agreement should the performance of this Agreement be
delayed and/or suspended due to any Force Majeure Event. In the event
performance of this Agreement is delayed and/or suspended due to Force
Majeure Event, performance shall resume only upon the mutual assent of the
Parties that the Force Majeure Event has subsided. Should the performance of
the Agreement be suspended or delayed as the result of a Force Majeure
Event, the Parties hereby agree that this Agreement shall be extended by the
amount of time the performance is suspended or delayed. Events necessitating
the issuance of Public Health Orders, as described in Section 11.6, above, shall
be treated by the Parties in conformance with the terms and conditions of
Section 11.6 and not as a Force Majeure.

19.3. **Status of Contractor:** The Contractor is an independent contractor retained
to perform professional or technical services for limited periods of time. Neither
the Contractor nor any of its employees are employees or officers of the City
under Chapter 18 of the Denver Revised Municipal Code, or for any purpose
whatsoever.

19.4. **Legal Authority:** Contractor represents and warrants that it possesses the
legal authority, pursuant to any proper, appropriate and official motion,
resolution or action passed or taken, to enter into the Agreement. Each person
signing and executing the Agreement on behalf of Contractor represents and
warrants full authorization by Contractor to execute the Agreement on behalf
of Contractor and to validly and legally bind Contractor to all the terms,
performances and provisions of the Agreement. The City shall have the right,
in its sole discretion, to either temporarily suspend or permanently terminate
the Agreement if there is a dispute as to the legal authority of either Contractor
or the person signing the Agreement to enter into the Agreement.

19.5. **Survival of Certain Provisions:** The terms of the Agreement and any exhibits
and attachments that by reasonable implication contemplate continued
performance, rights, or compliance beyond expiration or termination of the
Agreement survive the Agreement and will continue to be enforceable. Without
limiting the generality of this provision, the Contractor’s obligations to provide
insurance and to indemnify the City will survive for a period equal to any and
all relevant statutes of limitation, plus the time necessary to fully resolve any
claims, matters, or actions begun within that period. Further, without limiting the
generality of this provision, the Contractor’s obligations in the following
provisions will survive for a period equal to any and all relevant statutes of
limitation, plus the time necessary to fully resolve any claims, matters, or
actions begun within that period: Sections 7, 8, 9, 10, 11, 12, 13, 14, 15, 16,
17, 18, 19.1, 19.2, and 19.6-19.27.
19.6. **Notices:** All notices required by the terms of the Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requested, or mailed via United States mail, postage prepaid, if to the Contractor at the address first written above, and if concerning the Services to the City at:

   Director of Workforce Services or Designee  
   Office of Denver Economic Development & Opportunity  
   City and County of Denver  
   201 West Colfax Avenue, Dept. 1011  
   Denver, CO 80202  

With a copy of any such notice to:

   Denver City Attorney’s Office  
   1437 Bannock St., Room 353  
   Denver, Colorado 80202  

Notices hand delivered or sent by overnight courier are effective upon delivery. Notices sent by certified mail are effective upon receipt. Notices sent by mail are effective upon deposit with the U.S. Postal Service. The Parties may designate substitute addresses where or persons to whom notices are to be mailed or delivered. However, these substitutions will not become effective until actual receipt of written notification.

19.7. **Disputes:** All disputes between the City and the Contractor arising out of or regarding this Agreement will be resolved by administrative hearing pursuant to the procedure established by Denver Revised Municipal Code, § 56-106(b)-(f). For the purposes of that procedure, the City official rendering a final determination shall be the DWS Director as defined in this Agreement.

19.8. **Governing Law; Venue:** The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District.

19.9. **No Construction Against Drafting Party:** The Parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not be construed against any Party merely because the Agreement or any provisions thereof were prepared by a particular Party.
19.10. **When Rights and Remedies Not Waived:** In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

19.11. **Taxes, Late Charges, and Permits:** The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City’s prompt payment ordinance D.R.M.C. §§ 20-107, et seq. The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

19.12. **Assignment, Delegation and Subcontracting:** The Contractor shall not voluntarily or involuntarily assign any of its rights or delegate any of its obligations under the Agreement or subcontract performance obligations without obtaining the DWS Director’s prior written consent. Any assignment, delegation or subcontracting without such consent will be ineffective and void, and, in addition to those found Section 11, shall be cause for termination of this Agreement by the City. The DWS Director has sole and absolute discretion whether to consent to any assignment, delegation or subcontracting, or to terminate the Agreement because of unauthorized assignment, delegation or subcontracting. In the event of any subcontracting or unauthorized assignment or delegation: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any sub-consultant, subcontractor or assign.

Services subcontracted under this Agreement shall be specified by written agreement and shall be subject to each applicable provision of this Agreement and any and all applicable Federal and State Laws with appropriate changes in nomenclature in referring to such subcontract. The Contractor shall submit proposed subcontract agreements to the DWS Director for the DWS Director’s review and approval. Such consent of the City obtained as required by this Section 19.12 shall not be construed to constitute a determination of approval of any cost under this Agreement, unless such approval specifically provides that it also constitutes a determination of approval of such cost.

19.13. **Inurement:** The rights and obligations of the Parties to the Agreement inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

19.14. **No Third-Party Beneficiary:** Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the Parties.
Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity including without limitation One-Stop Partners authorized to co-locate with Contractor in the Licensed Premises. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

19.15. **No Authority to Bind City to Contracts:** The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City’s Charter and the Denver Revised Municipal Code.

19.16. **Severability:** Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the Parties can be fulfilled.

19.17. **Conflict of Interest:**

a) No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement; and the Contractor shall not hire, or contract for services with, any employee or officer of the City in violation of the City’s Code of Ethics, D.R.M.C. §§ 2-51, et seq., or the City Charter §§ 1.2.8, 1.2.9, and 1.2.12.

b) The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest which shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor’s own interests, or the interests of any party with whom the Contractor has a contractual arrangement or other relationship, in conflict with those of the City. During the Term, the Contractor shall disclose promptly any potential conflicts of interest that arise from its activities and relationships with training or other service providers. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement in the event it determines a conflict exists, after it has given the Contractor written notice describing the conflict. The Contractor will have thirty (30) days after the notice is received to eliminate or cure the conflict of interest in a manner which is acceptable to the City.

19.18. **Advertising and Public Disclosure:**

a) **Approval Required:** The Contractor shall not include any reference to the Agreement or to Services performed pursuant to the Agreement in any
of the Contractor’s advertising or public relations materials without first obtaining the written approval of the DWS Director. Any oral presentation or written materials related to Services performed under the Agreement will be limited to Services that have been accepted by the City. The Contractor shall notify the DWS Director in advance of the date and time of any presentation. Nothing in this provision precludes the transmittal of any information to City officials.

19.20. **Agreement as Complete Integration-Amendments**: The Agreement is the complete integration of all understandings between the Parties as to the subject matter of the Agreement. The Agreement is, and any amendments thereto will, be binding upon the Parties and their successors and assigns. Amendments to this Agreement will become effective when approved by both Parties and executed in the same manner as this Agreement.

19.21. **Use, Possession or Sale of Alcohol or Drugs**: The Contractor shall cooperate and comply with the provisions of City Executive Order 94 and Attachment A thereto concerning the use, possession or sale of alcohol or drugs, as amended. The Contractor and its officers, agents and employees will fully comply with the provisions of City Executive Order No. 99 prohibiting smoking in all indoor City Buildings and facilities, as amended.

19.24. **Litigation Costs and Attorneys’ Fees:** In the event of any litigation or other action between the City and the Contractor to enforce any provision of this Agreement or otherwise with respect to the subject matter hereof, each Party shall bear all of its own costs and expenses, including attorneys’ fees.

19.26. **Transition:**

   a) Upon termination or expiration of this Agreement, or upon the City's request, Contractor shall ensure that all Personal Information, or access to all Personal Information, is securely transferred to the City, or to a party designated in writing by the City, within thirty (30) calendar days of such termination or expiration. At the City’s request, Contractor shall ensure that such Personal Information will be provided to the City in an industry-standard format. Contractor shall provide to the City with no less than ninety (90) calendar days’ notice of impeding cessation of its business or that of any Subcontractor providing any Services described hereunder, and shall provide reasonably sufficient contingency plans to the City in the event of notice of such cessation to effect a reasonable transition of the Services described herein to another successor contractor of the City's choosing. In connection with any cessation of Contractor's business with its customers, Contractor shall implement its contingency or exit plans and take all reasonable actions to provide for an orderly,
effective and efficient transition of Services with minimal disruption to the City.

b) Contractor shall reasonably coordinate in good faith with any successor contractors retained by the City to provide the Services described herein upon the expiration of the term of this Agreement, including any extensions or renewals thereof. As soon as may be reasonably practicable, but under no circumstances later than ninety (90) days prior to the expiration of the term of this Agreement, including any extensions or renewals thereof, the City shall notify Contractor in writing if the City has retained one or more successor contractors to provide the Services described herein. The Contractor shall work closely and coordinate in good faith with its successor contractor and the City to ensure a successful, expedient and efficient transition of all Services, staffing, personnel, customers, casefiles, as well as both City-owned and Contractor-owned equipment, technology (including, without limitation, software, hardware, telephones, computers, monitors, printers, copiers, fax machines, scanners, servers, administrator identification passwords and logins, switches, etc.), City-owned and Contractor-owned workspace (including, without limitation, all office furniture), and facilities from Contractor to the successor contractor identified by the City, with reasonably minimal downtime and negative effects imposed upon the City and the recipients of the Services described herein. All transitional work shall be coordinated and performed in advance of the formal and final transition date mutually agreed upon by the City and Contractor, and all of Contractor’s costs and expenses associated with such transitional work shall be borne solely by Contractor.

c) For purposes of this Section 19.26, “Personal Information” means all information that individually or in combination, does or can identify a specific individual by or from which a specific individual can be identified, contacted, or located. 19.27. Electronic Signatures and Electronic Records: Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic
form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.
