Handy Checklist: How to Start a Business in Denver

A multi-lingual, step-by-step guide through city agencies and processes - available in [English](#), [Spanish](#), and [Vietnamese](#).

LENDING/CAPACITY BUILDING

Small Business Lending

Gap financing of \$25,000 to \$350,000 for projects creating jobs. Micro-loan program for new and existing businesses seeking to launch, grow or stabilize your operations. Click [here](#).

Business Impact Opportunity (BIO) Fund

The impacts of major construction projects and socioeconomic changes have the potential to disproportionately burden small, neighborhood-serving businesses. To see if your business might be eligible for assistance, email investindenver@denvergov.org.

Denver Scale-Up Network

By invitation, a cohort of small, diverse and emerging Denver CEOs are supported with guidance, connections, and resources needed to take their business from the post-accelerator stage to reach proportionality and profitability.

Business Disruption

Denver has some amazing projects on the horizon that contribute to our unparalleled quality of life, mobility and economic vitality. But the short-term impacts of construction can be hard on a business. Check out [these tips](#) to not only survive, but thrive.

SMALL BUSINESS & STARTUP TOOLBOX

TAX CREDITS

Business Investment Program

A local Business Personal Property Tax credit for new or expanding businesses. Click [here](#) for program information and eligibility.

Enterprise Zone Tax Credits

The Denver Enterprise Zone is a designated area in Denver that affords qualifying businesses located in the Zone state income tax credit incentives for activities such as job creation, job training, investment in business personal property, and more. Click [here](#).

MORE SERVICES

Division of Small Business Opportunity

The DSBO team guides small businesses get certified and able to compete for government contracts. Certification is based on a variety of qualifying factors, such as being minority- or woman-owned or being a disadvantaged business. To learn more about how business certification can help your business' growth, contact the DSBO team at certificationinfo@denvergov.org.
