RISE DENVER

Rebuilding for an Inclusive and Sustainable Economy
Denver’s Commitment to Equity

Relief for those businesses, workers and communities that have been hit the hardest, and create an economy that works for everyone.
RISE DENVER: Five Strategic Priorities

- Strengthen small business & nonprofit growth and resiliency
- Revitalize Denver's neighborhoods through targeted support and placemaking
- Bring back and enhance lost jobs. Create new jobs
- Accelerate Public Investment
- Make it easier to do business with Denver
Bring back and enhance lost jobs. Create new jobs.

**TACTICS**

 ✓ Bolster our most under-resourced populations’ ability to build generational wealth by connecting jobseekers to training and supports needed for careers in industries with most workforce demand in Denver.

 ✓ Financially support family, friend, and neighbor childcare providers to create jobs, and help our residents get back to work.

 ✓ Invest in weatherization and energy efficiency projects in affordable housing to create valuable trade jobs and contracting opportunities for small, minority-, and woman-owned businesses.

 ✓ Doubling down on attraction efforts to ensure Denver remains at the top of the list when primary employers are looking to grow or expand their businesses.

 ➤ **40,000 jobs for Denverites by the end of 2022**
Strengthen small business & nonprofit growth and resiliency

TACTICS

✓ Expand the Business Impact Opportunity Fund grant program to address challenges small businesses are facing, like lease payments/rising property taxes, and safety

✓ Provide a toolkit and professional training on worker-owned businesses or co-ops to increase wealth-building opportunities for individuals

✓ Support local businesses and nonprofits in underserved communities and communities of color to stay in business

✓ Extend outdoor patio expansion program until October of 2022 to help restaurants regain lost revenue and serve more customers
Revitalize Denver's neighborhoods through targeted community support and placemaking

TACTICS

✓ Re-energize communities by providing neighborhood activation grants for community-serving organizations to use toward events and arts and cultural activities

✓ Increase direct financial support to residents experiencing outsized economic hardship in the form of cash payments, and mortgage and utility support

✓ Help jobseekers and families who don't have good broadband internet access through increased public Wi-Fi, internet subsidies, and laptop and hotspot temporary use program

Tactics pending funding eligibility, availability and prioritization per public process
# Make it easier to do business with Denver

## TACTICS

- Make licensing and permitting processes easier to navigate
- Identify policy, regulatory, and other barriers to doing business in Denver
- Hire agency process and program navigators
- Employ Citywide cross-training on programs that involve multiple agencies to streamline processes to a faster execution
Accelerate Public Investment
