**Initiated Ordinance 300**

- The voters of the City and County of Denver adopt an ordinance regarding the City and County of Denver to enforce a public health emergency, providing for a process to prevent epidemics if the City fails to enforce a public health emergency, allowing the City to establish up to four authorized camping locations on public property where the City must provide running water, restrooms, and other amenities.

**Purpose of Ordinance 300:**

- The purpose of Ordinance 300 is to prevent the spread of communicable diseases in the City and County of Denver by ensuring that all camping locations are safe and healthy environments for the public.

**Proposed Measures:**

- The proposed measures include:
  1. The establishment of four authorized camping locations on public property within the City and County of Denver.
  2. The requirement that all camping locations be inspected regularly to ensure that they meet public health standards.
  3. The development of a public awareness campaign to educate the public about the benefits of using authorized camping locations.

**Signatures Required:**

- To pass, the initiative requires the approval of the voters in a regularly scheduled municipal or special election.

**Voting:**
