# HARVEY PARK RECREATION CENTER IMPROVEMENTS

## PROJECT BACKGROUND

Located in southwest Denver, Harvey Park was founded in the 1950s as a family-friendly neighborhood with modern, ranch-style homes. The core of this neighborhood is Harvey Park, Harvey Park Lake and Harvey Park Recreation Center. The neighborhood continues to increase in popularity as the desire for recreational options and its midcentury homes grow.

Harvey Park, Harvey Park Lake and the recreation center are highly utilized by the growing population. This project will convert aging tennis courts to much-needed off-street parking to improve access to these neighborhood amenities.
