CITYWIDE AMERICANS WITH DISABILITIES ACT (ADA) PROJECTS

PROJECT BACKGROUND
To make public buildings more accessible for people with disabilities, the City is making improvements in accordance with requirements and recommendations from the Americans with Disabilities Act (ADA). Improvements include, but are not limited to:

• Reconstructing exterior sidewalks and pavement areas.
• Replacing or adding accessible exterior and interior routes.
• Implementing accessible parking and visual alarms.
• Modifying courtrooms, restrooms and other areas in buildings.

These projects are coordinated across multiple agencies and departments through the Office of Disability Rights.

PROJECT INFORMATION
Location: Citywide
District: All
Elevate Denver Funding Amount: $10M
Designer: By Project
Contractor: By Project

PROJECT BENEFITS
Improved safety and accessibility
Eliminate physical and communication barriers that would otherwise prevent people with disabilities from participating fully in community life
