

ORDERS RE DISCOVERY 10/6/11

IN THE MATTER OF THE APPEAL OF:

GREG AUSLER, Appellant,

vs.

DEPARTMENT OF PUBLIC WORKS,
and the City and County of Denver, a municipal corporation, Agency.

Both parties filed motions for discovery on September 26, 2011. On October 3, the Agency filed a timely request to enlarge the time allowed to object to Appellant's discovery request. Appellant has not filed an objection to Agency's discovery request. This order addresses the aforementioned motions.

1. Agency's discovery motion. Agency's discovery requests appear to call for relevant evidence, or information reasonably calculated to lead to relevant evidence. Appellant did not object. Agency's discovery request is GRANTED in its entirety. Appellant shall respond fully to Agency's discovery requests on or before October 17, 2011.

2. Appellant's discovery motion. The Agency filed a motion to enlarge the time allotted in the existent Notice of Hearing and Pre-hearing Order to object to Appellant's discovery motion. Appellant has not objected. The Agency requested to grant an enlargement until October 5. Since that date has now passed, and the Agency has not filed any objection, the Agency motion is moot and a review of Appellant's request is mandated. Appellant's discovery requests appear to ask for relevant evidence or to lead to the discovery of relevant evidence. Consequently, Appellant's discovery motion is GRANTED in its entirety. Agency shall comply with Appellant's discovery requests on or before October 17, 2011.

DONE October 6, 2011.
