

POSTING IS REQUIRED

Classification Notice No. 1316

To: Agency Heads and Employees
From: Jeff Dolan, Career Service Executive Personnel Director
Date: January 22, 2010
Subject: Proposed Change to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by revising the community rates pay schedule and changing the pay grade of Lifeguard from 600-G to 111-Z, Advanced Lifeguard from 601-G to 112-Z, Pool Supervisor from 225-Y to 114-Z and Boating Ranger from 605-G to 323-Y.

CSA was approached by the Recreation Division of the Department of Parks and Recreation to review the pay for the Lifeguard, Advanced Lifeguard, Pool Supervisor, and Boating Ranger. Upon review, it has been determined that the Lifeguard, Advanced Lifeguard, and Pool Supervisor classifications would be more appropriate on the community rate schedule, and the Boating Ranger would be more appropriate on the short range schedule. In addition, the pay for all four classifications was reviewed and will be adjusted based on market data and internal equity.

Pool Supervisor

GENERAL STATEMENT OF CLASS DUTIES

Provides supervision over lifeguards, advanced lifeguards and other pool personnel involved in the operation and maintenance of a municipal swimming pool.

DISTINGUISHING CHARACTERISTICS

This position performs supervisory duties under general supervision over employees performing lifesaving duties. This class is distinguished from Advanced Lifeguard who performs duties that are routine, repetitive, and restricted in intricacy with little or no discretion in how they are carried out.

Guidelines, Difficulty and Decision Making Level:

Guidelines are generally but not always clearly applicable, requiring the employee to exercise judgment in selecting the most pertinent guideline, interpret precedents, adapt standard practices to differing situations, and recommend alternative actions in situations without precedent.

Duties assigned are generally complex and may be of substantial intricacy. Work assignment is performed within an established framework under general instructions but requires simultaneous coordination of assigned functions or projects in various stages of completion.

Employee is responsible for determining time, place, and sequence of actions to be taken. Unusual problems or proposed deviations from guidelines, practices, or precedents may be discussed with the supervisor before being initiated.

Level of Supervision Received and Quality Review:

Under general supervision, the employee receives assignments and is expected to carry them through to completion with substantial independence. Work is reviewed for adherence to instructions, accuracy, completeness, and conformance to standard practice or precedent. Recurring work clearly covered by guidelines may or may not be reviewed.

Interpersonal Communications and Purpose:

Contacts with the public or employees where explanatory or interpretive information is exchanged, gathered, or presented and some degree of discretion and judgment are required within the parameters of the job function.

Level of Supervision Exercised:

Performs lead work over two or more employees.

ESSENTIAL DUTIES

Coordinates recreational, instructional and competitive swimming programs.

Develops or modifies work plans, methods, and procedures, determines work priorities, and develops work schedules to provide adequate staff coverage.

Provides work instruction and assists employees with difficult and/or unusual assignments.

Assigns and distributes work, reviews work for accuracy and completeness, and returns assignments with recommendations for proper completion.

Documents performance, provides performance feedback and formally evaluates the work of the employee.

Provides reward and recognition for proper and efficient performance.

Resolves problems encountered during daily operations and determines appropriate solutions.

Responds orally to informal grievances and relays information to the supervisor.

Documents causes for disciplinary action and initiates letters of reprimand and makes formal recommendations for disciplinary action. Responds to formal and informal employee grievances and prepares written responses.

Coordinates and facilitates (delivers) weekly in-service safety training for employees that includes reviews of emergency action plans.

Reconciles daily cash transactions, prepares and delivers bank deposits, maintains accurate accounting of money, and completes cash reporting paperwork.

Patrols pool and oversees the enforcement of safety regulations.

Recognizes, responds and rescues distressed swimmers and performs CPR (Cardiopulmonary resuscitation) and First Aid when appropriate.

Tests and monitors water for pH, chlorine, and alkalinity levels and prepares appropriate paperwork for public record.

Monitors water filtrations system and prepares necessary maintenance requests.

Conducts on-site coordination for swim meets and exhibitions.

Prepares a variety of paperwork as required.

Performs other related duties as assigned or requested.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.
