

POSTING IS REQUIRED

Classification Notice No. 1675

To: Agency Heads and Employees
From: Karen Niparko, Executive Director of the Office of Human Resources
Date: April 16, 2021
Subject: Proposed Changes to the Classification and Pay Plan

The proposed change amends the Classification and Pay Plan by abolishing various classifications from the city’s classification structure.

The below classifications are recommended for abolishment. These classifications are currently vacant and are no longer being used by city agencies due to lack of organizational structure or work that would support these classification concepts.

The first section of classifications overlap with alternative classifications that are better suited for the duties and responsibilities of these positions such as the Operational Supervisor series, Marketing and Communications Series, Fiscal Administrator series, Buyer series, or the Senior Chief Deputy District Attorney.

The second section of classifications are located at the Denver Health Medical Center and these classifications are vacant and no longer viable for the remaining Career Service employees.
